Provider Administered Specialty Drugs*
Current 4/13/20

Important:
- This is not an all-inclusive list of drugs covered under the medical benefit nor is it a list of all medical drugs that require Prior Authorization (PA).
- These drugs are covered under the medical policy and medical coverage benefits apply.
- Prior Authorization requirements may vary. Certain drugs may not be covered by certain plans.
- Refer to the member contract benefit for inclusion in the PA program and medication guide for determination of coverage (Prior Authorization Program Information and Forms).
- If you are a provider enrolled in our Provider Administered Drug Program (PADP) and wish to buy and bill a drug on this list, please refer to the PADP section of our online provider manual for a current list of drugs included.
- Certain specialty drugs may only be available from a specific specialty pharmacy or pharmacy location. These drugs are considered Limited Distribution and the dispensing pharmacy is noted below. Contact information for specialty pharmacies can be found in the Appendix.
- If you have questions or need further assistance after consulting this table, please call:
  - Customer Service (phone number found on the back of your insurance card)
  - Provider Contact Center: 1-800-727-2227 (health care providers and office staff only)
