For more information about your coverage, or to get a copy of the complete terms of coverage,

For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. | Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall <u>deductible</u> ?                                     | In-Network: <b>\$6,700</b> Per Person/ <b>\$13,400</b><br>Family. <u>Out-of-Network</u> : <b>Not Applicable.</b>  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your <u>deductible?</u>          | Yes. <u>Preventive care</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .  |
| Are there other<br><u>deductibles</u> for specific<br>services?             | No.   | You don't have to meet deductibles for specific services.  |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | In-Network: <b>\$7,250</b> Per Person/ <b>\$14,500</b><br>Family. <u>Out-Of-Network</u> : <b>Not</b><br><b>Applicable.</b>                                | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                    | Premium, <u>balance-billed</u> charges, and health care this <u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| Will you pay less if you<br>use a <u>network provider</u> ?                 | Yes. See<br>https://providersearch.floridablue.com/pr<br>ovidersearch/pub/index.htm or call 1-<br>855-692-5830 for a list of <u>network</u><br>providers. | This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                  | Yes.  | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .   |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
