

Blue Cross and Blue Shield of Florida

Proprietary Other Insurance Carrier Codes (ICAR)

June 20, 2005

**BlueCross BlueShield
of Florida
Health Options®**

Health Options and its Parent, Blue Cross and Blue Shield of Florida, are Independent Licensees of the Blue Cross and Blue Shield Association.

Purpose

Whenever Coordination of Benefit (COB) Institutional or Professional claims are submitted to Blue Cross and Blue Shield of Florida (BCBSF) through the Availity^{®1} Gateway, the other carrier must be identified with BCBSF proprietary Other Insurance Carrier Codes (ICAR). The ICAR code must be populated on the electronic claim to insure correct payment and avoid processing delays.

The format location on the ANSI X12 837 claim for the ICAR code is: Loop 2330B (Other Payer Name) NM109 Segment. For questions about where to populate the ICAR code on your billing system, contact your Practice Management Vendor.

Refer to the following pages for a listing of the BCBSF ICAR codes and the corresponding Insurance Carrier Name.
