

Your Online Options for Eyewear are Only a Click Away

Glasses or contacts: BlueVision makes it easy.

We now provide you access to **1-800 Contacts**, **Befitting.com**, **Glasses.com** and **Visionworks.com**. All you need is a copy of your prescription! Our retailers will submit your claims so you can focus on your eye health.

1-800 Contacts

For more than 25 years, 1800Contacts.com has filled prescriptions for all types of contact lenses from every major brand. And, they'll fill your glasses prescription along with \$0 shipping/returns and 24/7 customer support.

Befitting.com

Befitting.com uses advanced technology to help find the right glasses for you, in a style you'll love and at a price that fits your budget. Find designer frame brands for single/progressive lenses, prescription sunglasses, or lenses with blue-light filters. You'll also get 20% off frame coverage after you use your benefits. Plus, shipping and returns are no extra cost.

Glasses.com

You'll find popular and designer brands of glasses and sunglasses with prices sure to work for you. Lens options include blue-light filter, anti-reflective coatings, and lenses that get dark in the sun. Glasses.com offers \$0 shipping and 60-day returns.

Visionworks.com

Your benefits will work the same at Visionworks.com as they would at any Visionworks location. Benefits include frame and contact lens allowances with a 15–20% discount on any amount over the allowance. Plus, you'll get fixed pricing on lens options and coatings. Just visit Visionworks.com and click on "insurance" at the top of the page to get started.

BlueVision Benefits

These online providers are in-network for your BlueVision benefits. You'll get the same coverage as you would at an in-network retail location. Check your plan details for coverage.
